Being able to edit and produce a yearbook for the past two years has been an incredible experience. From capturing moments during athletic and music events, to photographing club pictures, being the RFA yearbook editor will be an experience I never forget. However, the yearbook is not possible without the contributions of you, the students at RFA. Thank you so much for your support and enthusiasm, which have been invaluable when creating the yearbook. I would also like to thank Mr. Maitland and Coach Gaesser, Abbey Haggerty, Alex Guiliano, and the rest of the yearbook staff for their unwavering support and guidance in the 2017-2018 year.

As for the Class of 2018: Thank you for being the best class to photograph, to film, and most of all, to make memories with throughout the years.

Best wishes to all as you move onto your future endeavors. Continue to grow and succeed as you have throughout these school years.

Good luck and Congratuations!

Sincerely,

Moriah Humiston
Yearbook Editor

Abigail Haggerty

The yearbook theme this year is Beneath the Surface. Thinking about what that means... there are so many activities, events and moments that occur in a school year, even in a given day, there are amazing people doing incredible things. We could never capture every moment and every memory but our attempt this year was to give you a glimpse at some of the things that have happened in our lives here at RFA. If you look deeper you will find many outstanding, creative and passionate people in our school. I hope that this years theme has helped to capture some of these moments.

Dear Students,

I cannot begin to describe in words what an amazing year this has been. You have adjusted to change better than anyone could have imagined which is a true testament to your character, leadership and maturity as young adults.

Thank you seniors for buying into to the future of RFA and paving the way to a bright future leading by example. Thank you underclassmen for your willingness to work with us, taking on the challenges that come with greater responsibilities. This school year ends with all of our students leaving behind a platform for greatness and a vision to become legendary at RFA.

I am very proud of all of you!! Be great at everything you do!

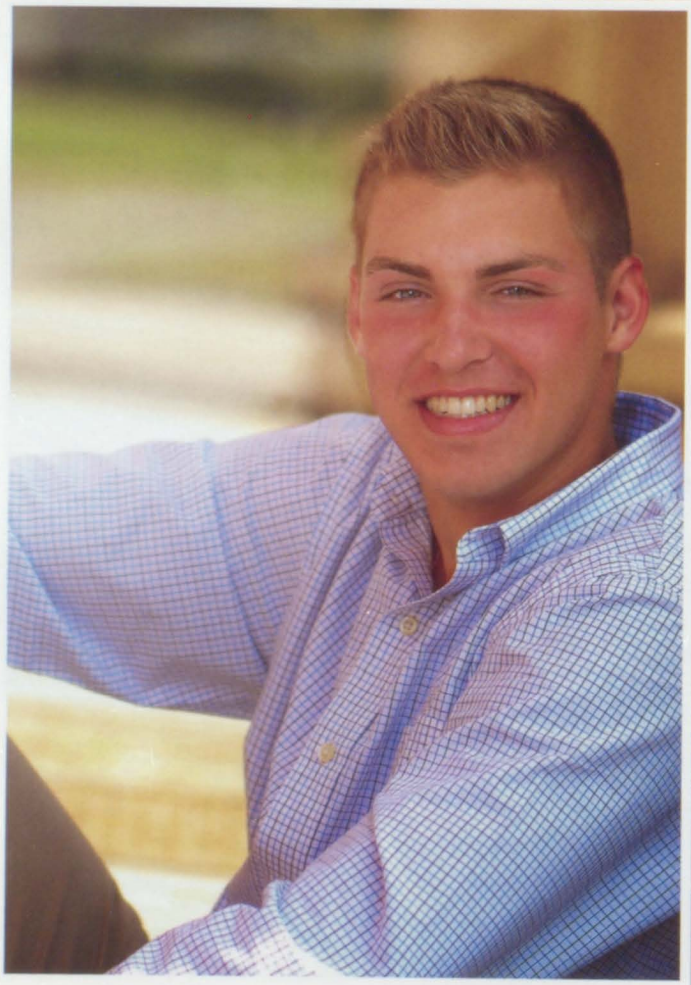
All my best,

Mr LeBaron

Valedictorian: Isabella Madeira

It is an honor to be named Valedictorian of the Class of 2018. I attribute much of my success to my efforts to be a well-rounded student. In addition to earning outstanding grades, I am President and Editor-in-Chief of Galleries, RFA's Art and Literary Magazine, and the Bureau of Student Information. I am also president of the string group Strolling Strings and Concert Mistress for the Symphony Orchestra. I belong to the National Honor Society as well as a group that dedicates time to learn new things in cyber-related fields. In my future, I plan to major in graphic design and minor in computer science.

We all have influences in life, and for me my parents are the most influential. I would also like to thank Mr. Smales, Mrs. Anderegg, and Mrs. Colmey for their support in my academic and artistic career so far.



Salutatorian: Tristan Hunzinger

Congratulations to Isabella, the rest of the Top 11, and the entire 2018 graduating class on everything we have accomplished, both individually and as a whole. I'd first like to thank my family for thei unwavering support throughout my athletic and academic career– you have been my motivation to achieve the goals I continuously set for myself. I'd also like to thank my friends, teachers, and coaches, who–likewise– have shown nothing but support and encouragement to me. And lastly, I'd like to thank God for guiding me through any difficult challenges that have arisen before me. I know that without my faith, I would not be the person I am today.

After high school I plan to major in biology at LeMoyne or Siena College, and eventually pursue a doctorate degree in physical therapy. While at RFA, I have immersed myself in the various clubs and activities the school has to offer. I am proud to have been the President of National Honor Society, Treasurer of FBLA, President o the Block R Club, and Captain of the Varsity football and basketball teams. I am grateful for the many opportunities provided here, and I know these experiences have prepared me for my future.

To my classmates, I wish you all the best of luck as we enter the next chapter of our lives.

Thank you again to everyone. Remember: No matter where you go, once a Black Knight, always a Black Knight!

THE STUDENT SECTION

From packing the stands at football games, to yelling during the basketball games, to ordering mozzerella sticks at Kennedy Arena, the 2017 RFA student section has a pride in our teams like none other. This year was the second year and the biggest color throw at the RFA Homecoming Game as well as the second running year of the Twitter account @RFAZooCrew, which highlighted student athlete accomplishments at RFA as well as game statistics.

From TVL Championships to nationals, our sports team at RFA show what it truly means to "bleed black and orange." Each year, many of our sports teams are successful because of the support and guidance of their team captains, which are featured on this page. Congratulations to all of the Black Knights sports in 2018, and good luck to all of the future endeavors of our athletes and captains.

When we found out we were going to have another baby, we were overjoyed. What a wonderful surprise you turned out to be! You brought a whole new personality into the mix. You are funny, compassionate, stubborn and sassy. We love every ounce of you. One of our favorite memories was how you would get a "boo-boo" whenever something sad was about to happen in a movie we were watching.
Thank you for sharing all the times with us, both good and bad. We'll miss your conversations, your laughter, and even your messy room!

From the moment you were born we knew you were special. When we first saw you, you took our breath away and that has not changed from day one. You continue to amaze us with everything you do. Beautiful, kind, compassionate, and loving are the only words that describe the person that you have become. As people come to experience who you are, only then will they truly know you as a person. Your gift to others will be your friendship and love. Give more than you receive. Love more than you are loved and be more humble than proud. We love you more than you could ever imagine and can't wait to see what your future holds!
